## Cohen's Lottery and Exchange-Office.

Hoc signo Fortuna.

BALTIMORE—FRIDAY, JANUARY 14, 1825.

## Fine situation of the wheels.

No. 16857 a prize of ONE THOUSAND DOLLS : was the highest drawn yesterday afternoon in the GRAND STATE LOTTERY, as will be noticed by our official list on the next page. The other prizes of minor importance were variously distributed.—The drawing will be continued on *Thursday next*, the 20th inst.—previous to commencing, the wheel will be additionally more interesting, by the depositing of ANOTHER FLOATING CAPITAL (5000 DOLLARS) agreeably to the scheme, it being the 10th drawing.

## Recapitulation of great Success.

As evidence of the astonishing success which has attended, and still continues to attend, adventurers at COHEN'S OFFICE, we present the following splendid list of capital prizes drawn in the four last STATE LOTTERIES only; the whole of them obtained at COHEN'S OFFICE—part sold in whole tickets and part in shares, viz :

 No. 827, a capital prize of 5,000

Amounting to no less than SIXTEEN GREAT CAPITALS in the four schemes, without taking at all into view a vast number of 2000 doll. and 1000 doll. prizes.

The unprecedented good fortune from our Office, so strongly evinced in the distribution of the Capitals in the former State schemes, still continues; for it will be recollected, that the highest prize yet drawn in the present lottery, (No. 13467—5000 DOLLS.) which came out on the 4th drawing, we had the pleasure of selling. We therefore confidently anticipate the distribution amongst our customers of the Brilliant Capitals of 40,000 dolls—20,000 dolls—10,000 dolls—5000 dolls, &c. contained in the SPLENDID SCHEME NOW DRAWING. Tickets are becoming scarce, in consequence of the continued great demand, and in order to avoid disappointment, we would recommend our distant friends to complete their investments as soon as possible.

Crowninshield, of do. And at a meeting of the board on the 4th instant, NICOLAS BIDDLE, Esq. was unanimously re-elected President of the institution for the ensuing year.

HEALTH OF BALTIMORE.—The number of Deaths in Baltimore during the year 1823 was 2108; during 1824 it was 1468, shewing a decrease of 640. The deaths by consumption were in 1823 two hundred and thirty-six, in 1824 one hundred and eighty eight.—By bilious fever, 137 in 1823; 62 in 1824. By typhus fevers, 148 in 1823; 111 in 1824.—By measles, 175 in 1823; 11 in 1824.—By cholera infantum, 253 in 1823; 90 in 1824.

LAFAYETTE.—The following is the reply of Gen. Lafayette to the address of the Committee of Congress, appointed to request his acceptance of the grant made him by Government of 200,000 dollars and a township of land:

WASHINGTON, January 1, 1825.

Gentlemen of the Committee of both Houses of Congress:

The immense and unexpected gift, which, in addition to former and considerable bounties, it has pleased Congress to confer upon me, calls for the warmest acknowledgements of an old American soldier and adopted son of the United States—two titles dearer to my heart than all the treasures of the world.

However proud I am of every sort of obligation received from the people of the U. S. and their Representatives in Congress, the large extent of this benefaction might have created in the mind feelings of hesitation, not inconsistent, I hope, with those of the most grateful reverence. But the so very kind resolution of both Houses, delivered by you, gentlemen, in terms of equal kindness, precludes all other sentiments but those of the lively and profound gratitude of which, in respectfully accepting the munificent favor, I have the honor to beg you will be the organ.

Permit me, also, gentlemen, to join a tender of my affectionate personal thanks to the expression of the highest respect, with which I have the honor to be, your obedient servant, LAFAYETTE.

We understand, says the National Intelligencer, that Mr. MARKLEY, of Pennsylvania, yesterday waited on Gen. LAFAYETTE, and presented to him the Resolutions of the Legislature of Pennsylvania, accompanied by a letter from the Governor of that state, inviting him to visit Harrisburg. We understand the General has accepted the invitation, and will visit Harrisburg about the middle of February next.

West India Squadron.—We learn says the Norfolk Beacon, that Captain WARRINGTON, who has

been appointed to the command of the U. S. Naval Forces in the West India Seas and Gulf of Mexico, in the room of Com. PORTER, who has been recalled, in consequence of the affair of Faxardo, will leave Norfolk in the U. S. schooner *Shark*, Lieut. Com. GALLAGHER, to enter upon the duties of his new appointment.

Emigration to Hayti.—The brig De Witt Clinton sailed last week from New York for Port-au-Prince, with upwards of 100 emigrants, and 10 cabin passengers. Among the latter were Peter Barker, Esq. and the Rev. Peter Williams, Agents of the "Society for promoting the emigration of free persons of color to Hayti," and sent out by the society to that government.

New Minister to the United States.—The London papers state, that the Right Hon. W. Vesey Fitzgerald will repair, early in the spring, to the United States, to take on him the duties of Minister Plenipotentiary.

IMPORTANT DECISION.—His honor Judge BAY, has decided the question which on Tuesday last was argued before him, whether *Aliens are liable to the performance of militia duty*. The opinion of the Honorable Judge predicated upon the principle of the "*Lex Loci*" is, that Aliens are liable to perform militia duty.—*Charleston City Gaz.*

## Miscellaneous Items.

U. S. Ship Building.—The ship of the line building at Philadelphia is said to be on an improved plan, having her stern made round, and planked in a similar manner to the bow, which adds greatly to the strength of the ship, and gives her a decided advantage in battle over ships with a squared stern. She will be rated at 120 guns, but it is supposed will mount 150.

Georgia.—The Legislature of Georgia have made an appropriation of ten thousand dollars to defray the expense of surveys, &c. preparatory to commencing such works of Internal Improvement as a future Legislature may deem advisable.

Revenue of Alabama.—The assessments for the year 1824 amounts to about \$86,000.—The expenditures for the year ending Nov. 26, were \$52,000—of which sum \$10,000 were for building the state house, and about \$3,200 for printing a new digest. From this it would appear that the finances of that state are in a prosperous condition. The taxes imposed are far from being burdensome, being about 64 cents for each white inhabitant.

Rain.—A great fall of rain, which continued about a week, has raised the water courses in N. Carolina higher than had been known for 50 years. Considerable damage had been done among the mill dams and bridges, and a horse mail was lost in swimming a river.

Novel Sport.—A number of gentlemen last week made a bet of an oyster supper, that no gentleman in company, could run five hundred yards before one of the company could eat a water cracker.—The distance was run by a young man of the Northern Liberties, Thomas C. Swaim, in one minute and 15 seconds, coming in before the cracker was eat. It is believed to be the fastest running on record in any country.—*Philad. paper.*

A great day's work.—On the 3d inst. Quartus Kingsley, a blacksmith, in Northampton, Mass. with a hand to blow and strike, made two hundred and four horse shoes in eleven hours and forty minutes.

Christmas.—A Lafayette Christmas Cake was made in New York, containing 63 pounds of flour, 270 pounds of currants, 750 eggs, besides citron, &c. and weighing altogether 530 pounds.

No. 14406 a Prize of 1,000.  
No. 11976 a Prize of 1,000.  
No. 6245 a Prize of \$500.  
No. 7987 a Prize of \$500.  
No. 14403 a Prize of \$500.

The above, besides Hundreds, Fifties, &c. al-  
ready obtained, augurs well for the remainder of  
the drawings—we anticipate therefore, the plea-  
sure of announcing to our distant friends, the nu-  
merous Capitals still to be distributed from the  
rich wheels of the GRAND STATE LOTTERY. Or-  
ders should not be delayed—the earlier the invest-  
ment be made, the greater is the advantage to the  
adventurer.Direction of Letters.—We beg permission to  
request our friends and customers residing in dis-  
tant places, to be particular in directing their letters  
to J. I. COHEN JR. BALTIMORE. It will thereby  
prevent mistakes in being sent to another office,  
the name of which on paper, appears similar, and  
to which we understand, several letters have here-  
tofore been directed on the supposition that the  
name was ours.Persons at a distance may at all times  
with confidence forward their REMITTANCES to  
COHEN'S OFFICE, for if the great Capitals in  
the Scheme should be drawn when their Orders  
arrive, and the state of the wheel not justify an in-  
vestment, the amount enclosed will be returned  
by the first mail.
